Sir,

Sub: Request of Sri Parayya Basavantayya Bixawatti of Hebballi village in Badami taluk for grant of land in F.S.No. 474,475 and 476 of Badami.

---

I enclose herewith a copy of letter No. FOP/GFL/BGK/1661-47 of 64-65 dated 3-8-1964 from the Conservator of Forests, Belgaum Circle along with the case papers on the above subject for perusal.

JR 8/9/64

The applicant said to be serving in the Military has applied for grant of land out of F.S.Nos. 474,475,476 of Badami for cultivation. Out of the S.Nos applied for, S.No. 476 has already been granted to one Sri P.V.Shirur for cultivation as "Inforest settlement" plot. The Conservator of Forests, Belgaum recommends the grant of 10 acres of land out of F.S.No. 475 to the applicant permanently after disforestment. It is pointed out in this connection that one Shri R.Y.Horpeti of Badami, a political sufferer, had applied for grant of land in these S.Nos. But the request of the applicant was not recommended on the grounds that the applicant is holding sufficient land and that the grazing position of the village is not satisfactory etc. Accordingly, Government in their letter No. AFD 1562/63 dated 30-4-1963 rejected the request of the applicant. It is now reported that the grazing position of the village is sound and that the villagers have also no objection for grant of the area. Moreover the applicant is a person serving in the military. In the circumstances, the case is recommended for consideration.

Yours faithfully,

V. S. Kanthi

Chief Conservator of Forests.

Sir,

Reference:-Your No.FOP/GFL/BGK/1661-47 of 9-5-64.

The applicant Shri P.B.Bixawati who is now serving in the miltery has applied for grant of land measuring 21 acres 12 gunthas of F.Sy.No.475 of Badami village, Taluka Badami Dist. Bijapur. The area applied for is a pasture forest in charge of Forest Department. It is a flat area fit for cultivation. The area contains shrub tree growth which is estimated to yield about 23 Cart Loads of fuel. The F.Sy.No. 476 adjoining to it is already given out for cultifation. Hence the grant of the portion of the area in F.S.No.475 will not create an akward boundary of the forest. The grazing position of the village is sound. The villagers have also no objections for grant of the area to the applicant. It is not feasible to take up afforestation in the area as it is pasture area and adjecent to cultivated lands.

The applicant is in miltery Service with 11 members in his family. They are self agriculturist. They have got only 4 acres of land which is not sufficient to maintain their - - family.

Under the circumstances an area of 10 acres as per the sketch at page 33 is recommended to be given for cultivstion after disforestment.

Papers from pages 1 to 41 accompany.

Yours faithfully,

(G.V.Shringeri)
